

## RESIDENTIAL PILL DROP PROCEDURES

1. Transfer pills from bottles or packaging into quart sized plastic bags.
2. Deposit bag in drop box and close lid completely to ensure contents are fully deposited.
3. Dispose of bottles and packaging with household trash or recycling\*

**We cannot accept medications from businesses, health care facilities, long-term care facilities, pharmaceutical representatives, pharmacies, doctor's offices or veterinarian clinics.**

### ACCEPTED

- Prescription Pills
- Over the Counter Pills
- Pet Pills

### NOT ACCEPTED

- Sharps (needles, lancets, syringes)
- Liquids, Drops or Sprays
- Creams and Salves
- Medical Devices/Testing Supplies

\*Any bottles and packaging found in the pill collection box will not be incinerated and will be discarded or recycled
