# History of the Kernersville Police Department

Kernersville is centrally located within Forsyth County in the Piedmont Triad region of North Carolina.

In 1871 William Stockton is known to be the first policeman in Kernersville with Frank Linville and Will Gamble serving as police officers in the late 1890's. In the early 1900's, Kernersville operated under the constable form of law enforcement, which often required lighting of the street lamps as well as the "keeping of the peace".

One of the Town's noted constables was George Fontaine whose law enforcement career included membership in the North Carolina State Highway Patrol and service as Assistant Sheriff of Forsyth County under Sheriff Ernie Shore.

In the early 1940's the Kernersville Police Department, as we know it today, came into existence. The first known Police Chief in the 1940's was Chief Matthews, who hired and worked with Police Officer Dewey Sykes. Later, Dewey Sykes served as Chief of Police from 1945 through 1966, a period in excess of 21 years. Chief Grady H. Stockton served as Chief of Police from 1966 until 1984, a period of 18 years. His son, Chief Grady C. "Neal" Stockton, was the longest serving Chief of Police serving from 1984 to 2009 a period of 25 years. Chief Kenneth W. Gamble served for three years from 2009 until 2013. Chief Scott A. Cunningham served as Chief of Police from 2013 to 2017. Chief Tim Summers has been with the department since 1993 and has served as Chief of Police since February 2017.

# Message from the Chief

To the Town of Kernersville,

As I say every year, it is with continued gratitude, on behalf of the men and women of your Kernersville Police Department, that we present this annual report reflecting on 2022. We, the employees of your police department, are truly blessed to work for, and serve, a community that recognizes and supports its police department in a variety of ways. Each year we reflect and are proud of the accomplishments, statistics, and community events we have been a part of shaping. Fortunately, Kernersville continues to be a safe place to live, work, shop, and play for residents and patrons alike. The high quality of life enjoyed here is a result of the efforts and dedication of those who proudly wear the badge and those who work behind the scenes to support operations 24 hours a day 7 days a week. The quality of life is also the result of collaborative efforts by our citizens, business owners, and civic organizations working together with the department to preserve peace, order, and the sanctity of life expected in our town.

As your Chief of Police, I want to take this opportunity to recognize all of our employees. It is because of them that we are able to effectively do our jobs and serve this community with pride. Our staff continues to adjust and sacrifice for the department and town as we try to fill vacancies without lowering our hiring standards to become a Kernersville Police Officer. Their dedication and commitment are evident in the service they provide, both civilian and sworn staff, as the quality of life and rate of crime reflect a peaceful community to live, work, and play. For me, as your Chief, I continue to be humbled and honored to recognize your staff of law enforcement professionals, celebrating them for all they do in their service to the Town of Kernersville.

Likewise, representing the Town as your Chief of Police is an extraordinarily rewarding experience. It is my continued promise to you to constantly evaluate services, policies, and procedures. We will adjust and enhance as needed and necessary in providing a "higher level of service". Just like every other profession, mistakes will be made. It is incumbent upon each and every one of us, including the community we serve, to be accountable and transparent at all times. Providing legal, ethical, and professional service is the expectation and anything less is unacceptable. As your Chief of Police and on behalf of the men and women of the Kernersville Police Department it is an honor to serve and protect the Town of Kernersville. We thank you very much for partnering with us in making this a great police department and a successful collaboration in community safety.

We would also like to recognize and thank our Town Manager, Curtis Swisher, for his continued leadership and unwavering support. Likewise, our Mayor and Board of Aldermen, who's elected service to this community is uniquely protective of this town, as a whole, and their support of the Kernersville Police Department is a testament to the oath they all took as representing officials.

Respectfully,

*Tim R. Summers*

## School Resource Officer Team

The Kernersville Police Department School Resource Officer (SRO) Team is made up of 8 Officers. A new school year means new beginnings, new adventures, new friendships, and new challenges. The slate is clear and anything can happen. Every SRO has an opportunity to make a renewed commitment to safety, mentoring and educating the students of Kernersville.

The Kernersville Police Department actively works at 8 campuses on a day to day basis. The department serves East Forsyth High School, The North Carolina Leadership Academy (K-12), East Middle, Kernersville Middle, Southeast Middle, Caleb's Creek, Cash and Kernersville Elementary. Officers are assigned to the middle schools and high school for WS/FCS schools. Their duties include being a presence at the elementary schools.

**Sgt. J. J. Deeney**

One characteristic that makes this SRO Unit unique is its attention to the elementary schools. Cash, Caleb's Creek and Kernersville Elementary Schools have an officer visit their campus each morning. The car rider line is the focus of attention to allow every parent and their student that is on campus to interact with their SRO. Kernersville Police Department SRO's are at each school to maintain safety, educate on public safety topics and be a mentor to students.

The Kernersville Police Department delivers two distinct all expenses paid day camp opportunities to the community. The Day Camp is for 8-12-year olds. Activities include: bowling, skating, movie theater, trampoline park, waterpark, and Carowinds Amusement park. These elementary aged students get an opportunity to spend a week with the police officers that serve our schools.

The High School Camp is for students 15-18 years old. These students apply for the program online, allowing them to gain experience with an application process. The camp delivers immersive in-classroom driver's training and driving course. The students also participate in firearms safety lessons, leadership building activities, and service projects.

## Kernersville School Resource Officers Proudly Serve

Kernersville Elementary School • Caleb's Creek Elementary School • Cash Elementary School

Kernersville Middle School • Southeast Middle School • East Forsyth Middle School

East Forsyth High School • North Carolina Leadership Academy

## Police Day Camp

This year both camps had the theme of "Rejuvenate". This was an opportunity to rejuvenate the spirit of adventure using indoor and outdoor activities. Many of the students have not had the opportunity to skate, swim at Wet-n-Wild, enjoy Carowinds amusement park, go bowling at Country Side Lanes or visit a trampoline park. This was a chance to give back to the community with unique experiences for these students. The High School Camp allowed 17 students to also "Rejuvenate" by going to the gun range, zip lining (leadership and team building exercise), work on two service projects and go White Water Rafting at National Whitewater Center in Charlotte. Students also received hands on drivers' training from Street Safe instructors. The service projects were two components: a group project pressure washing sidewalks at East Forsyth High School and individually collecting a contribution for Second Harvest Food Bank. This year they donated 2,900lbs. Each year the camp is exceeding the previous year's total impact through the service projects. These service projects serve to teach them about civic duty at the local level and then a bigger impact beyond Kernersville. Second Harvest Food Bank serves 16 counties. The students learn from this project to help locally and beyond while also getting service hours for school groups.

The Kernersville Police Department utilizes Narcan (Naloxone) in an effort to assist and treat individuals suspected of experiencing an opioid related overdose. Naloxone is a type of medication used to rapidly reverse effects during an opioid overdose. This form of medication is an opioid antagonist, which means it binds to opioid receptors and blocks the effects of other opioids. The response can quickly restore a person's normal respirations who has experienced slow and or stopped breathing as a result of an overdose. This is essential for those exposed to narcotics containing opiates in an effort to prevent fatal overdoses. The Kernersville Police Department values the lives of all citizens and strives to maintain their health and safety at all times.

## *Crime Index*

In October of 2018 the department switched over to the National Incident-Based Reporting System (NIBRS) in preparation for the Federal Bureau of Investigation's (FBI) federal mandate in 2021. The department previously used the Uniform Crime Reporting method which is a Summary Reporting System (SRS). NIBRS is a more comprehensive and detailed reporting system with 58 offense categories compared to the 10 offense categories in SRS. NIBRS also collects up to 10 offenses per incident compared to the SRS hierarchy system of one most serious offense per incident. In addition to offenses, NIBERS also collects details such as location types which allows users to filter and query specific data sets. SRS data is aggregated and only produces totals.

NIBRS collects data on each incident and arrest within 22 crime categories made up of 46 specific crimes called Group A offenses. There are also 10 Group B offense categories for which only arrest data is collected. The following charts and tables report all crimes using the NIBRS method. Incidents prior October 1, 2018 did not transition to NIBRS and are reflected as originally reported. The classification of these offenses is based solely on police investigation.

## 2022 Crime Statistics

These Group A offenses include violent crimes; murder, rape, robbery, and aggravated assault and property crimes; burglary, larceny, motor vehicle theft, and arson. The total number of victims is counted in murder, rape, and aggravated assault. The number of vehicles stolen in each incident is counted in motor vehicle theft.
